Reasons for allowance

1. This communication is in response to applicant's 06/08/2007 amendment in the application of Maansaari et al. for the "Changing of channel capabilities" filed 09/27/2001. This application is a Request for Continued Examination (RCE) under C.F.R. 1.114 filed on 09/18/2006. This application claims Foreign Priority based on the application 20002124 filed September 27, 2000 in Finland. The proposed amendment has been entered and made of record. Claims 1-2, 5, 9, 11, 19-24, 27, 32-33 have been canceled per applicant's request, and claims 3, 6, 8, 10, 25 have been amended. The claims have been amended to better point out and more distinctly claim subject matter comprising the invention.

2. Claims 3, 4, 6-8, 10, 12-18, 25, 26, 28-31 are allowable as evident by applicant's amendment (Claims are renumbered as 1-19 respectively).

3. The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose or suggest wherein the first IWF is arranged to check in response to the reception of the second message, whether the desired capability change can be performed, and if the capability can be changed into the desired one, to change the capability into the desired one and to transmit to the second IWF a third message which indicates that the desired capability change can be performed at the first end, and the second IWF is arranged to change the capability into the desired one in response to the reception of the third message; wherein in response to a third message received from the second IWF, which third message indicates that

Art Unit: 2616

the second IWF cannot change the channel capability into the desired one, the first IWF is arranged to modify the desired change and to transmit a new first message, which indicates the result of the modification as the desired change, as specifically recited in the claims.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
